

Sleep Restore

MELATONIN-FREE CIRCADIAN
& CORTISOL SUPPORT*

KEY BENEFITS

- Designed to support relaxation, healthy sleep onset, sleep quality, and overnight nervous system recovery*
- Supports calming neurotransmitter pathways and the body's normal serotonin and melatonin pathways*
- Supports restorative sleep and nervous system support important for detoxification, recovery, cognitive resilience, and long-term health span*
- Helps maintain healthy cortisol and circadian rhythms while supporting the transition from stress to rest*

PRODUCT DESCRIPTION

Sleep Restore is a melatonin-free, multi-pathway sleep and nervous system support formula designed to support sleep physiology rather than override it.* GABA and L-Theanine support calming neurotransmitter activity and relaxation, while magnolia, valerian, hops, and apigenin provide complementary support for sleep readiness and healthy sleep quality.* 5-HTP supplies a precursor to serotonin, and vitamin B6 serves as a cofactor in normal serotonin

and melatonin production.* Sensoril® Ashwagandha and phosphatidylserine support stress adaptation and a healthy cortisol response, helping the nervous system move from daytime activation toward nighttime recovery.*

Sleep Restore also features BioActive Carbon® Technology which facilitates toxin removal and cellular energy, ensuring systemic resilience and long-term health.

LABEL INFORMATION

Directions: Adults take 2 capsules 30–60 minutes before bedtime, or as directed by your healthcare professional. For best results, use consistently as part of your nightly routine. Do not exceed the recommended serving.

CAUTION: Do not use if pregnant or nursing. Consult your healthcare professional before use if you are taking medication, have a medical condition, or are sensitive to sedative ingredients. May cause drowsiness. Do not drive or operate heavy machinery after taking this product. Store in a cool dry place.

KEEP OUT OF REACH OF CHILDREN.
